

PSCB DEV - Custom Public Portal Plugin

Overview

PSCB has developed a **Custom Public Portal** plugin. The plugin provides additional custom student page options to the stock Powerschool configuration..

The customization is compatible with Powerschool versions 21.x thru 22.x.

Installation of the most recent version of PSCB DEV - Base Resources plugin is required.

Instructions

• Step 1 - Plugin Installation

Download, Install and Enable the following plugins from PowerData Solutions,.

PSCB DEV - Base Resources

PSCB DEV - Custom Public Portal

• Step 2 – PSCB CPP Custom Settings Page

The plugin includes a new school based **PSCB CPP Custom Settings** preference menu. The menu is available via a tab that has been added to the Parent/Student Access page.

The PSCB **CPP Custom Settings** menu provides options to control which Icons/Pages are Enabled/Disabled in the Public Portal.

Note: The **PSCB CPP Custom Settings Page** should be completed for each school.
